Parish Mission Statement

A people of faith, inspired by God, called to be disciples of Jesus Christ. With praise and thanksgiving to almighty God, we are drawn ever closer to God the Father through the love of Christ Jesus and the power of the Holy Spirit. Cherishing the traditions of our faith, we come together to encounter the risen Lord in word and sacrament as the living body of Christ in the world. Responding to our baptismal call of our discipleship and strengthened by the Eucharist, we celebrate God's love and mercy, proclaim the Good News of Christ Jesus and work to build the kingdom of God here on earth by loving and serving one another.

Forty Days, Forty Cans:

Please join a St. Charles Borromeo Parish Lenten mission of reflection and assistance to the needy. Please consider donating one non-perishable food item for each day of Lent. These items include food cans, plastic jars of food and boxed food. Each food item reminds us loving and serving God should be part of our daily Lives. Please bring your food donation to St. Charles Borromeo Church as you attend daily Mass, weekly Mass or any service during Lent. This program's final collection will be Easter Sunday April 21, 2018. Food will be distributed by a local food pantry.

Illinois Bishops Warn Against Extreme Abortion Legislation in General Assembly

As Illinois faces so many pressing issues involving human life and dignity, it is incomprehensible that our elected officials have decided the pressing issue of the day is to enhance the chances that the lives of the most vulnerable and voiceless will be taken. Their efforts, similar to recent actions in New York and Virginia, focus on corrupting our God-given right to life and sowing unnecessary division.

House Bill 2495 and Senate Bill 1942, misnamed the Reproductive Health Act, include so many harmful provisions the full effect of these bills can hardly be imagined. We know the legislation:

- seeks to define abortion as health care and a fundamental right;
- removes abortion clinics from a regulatory framework designed for significant medical procedures;
- attacks a carefully constructed agreement in law on how hospitals care for the victims of sexual assault;
- repeals the ban on partial birth abortion;
- repeals legal protections for doctors and hospitals who decline to participate in abortions;
- requires private health insurance in Illinois to fully cover the cost of abortion;
- removes the requirement that only doctors can perform abortions;
- as well as many other changes that in totality require us to treat abortion as a celebrated right instead of a heart-wrenching tragedy.

Abortion is not health care. It is the intentional taking of innocent and defenseless human life. Moreover, provisions in the law that allow healthcare providers to live and work in accordance with their sincerely-held moral beliefs are not wrong. Freedom of religion and conscience protections are fundamental rights, enshrined in our state and federal constitutions, and they must be respected.

House Bill 2467 and Senate Bill 1594 seek to repeal the Parental Notice of Abortion Act. This law, which has been in statute since 1995 and enforced since 2013, ensures parents are involved in profound medical decisions involving their children. Every other state bordering Illinois – Wisconsin, Indiana, Kentucky, Missouri and Iowa – requires at least parental notification. It is a broadly-supported, reasonable safeguard that allows parents to properly exercise love and care for their children. Our government should support families, not undermine them.

Opposition to these bills do not require one to assume a pro-life political position. Opposition should be the natural result of applying reason, fairness and a basic respect for human dignity to the examination of their contents. We cannot further devalue human life to the extent proposed in this legislation without dire consequences for ourselves.

We hope to lead all people of goodwill to rise up and be heard in opposition to these terrible efforts. Accordingly, in the days ahead, we will be distributing more information and calls to action. Today, we ask for your prayers and support as you certainly have ours.

presented by Fr. Matt Nathan, *Pastor of St. Alexis, Bensenville*

When: **Monday, March 25, 6:30pm – 7:00**

Where: **Holy Cross Room**

Did you know that the Catholic bible contains 73 separate “books”? In the Old Testament we find 46 of those books, 13 of which are called “historical”. These historical books tell of the story of the people of Israel, who, under various leaders (judges and kings) fought to establish and keep the *Promised Land*.

Come hear Fr. Matt present these historical books in an orderly way, give clear explanations to unclear passages, and apply the writings to our own time and lives!

Participants will receive a handout containing sections of Fr. Matt’s new FREE eBook:

“Important Bible Passages: The Kings After Solomon” and a set of informative **bible bookmarks** to help organize the bible into its main 8 sections.

Please bring your own bible, or you can use one of ours!

Coffee and dessert will be served.

"Christine" came to Waterleaf very determined to have an abortion. She had recently lost her job, had no transportation and was being pressured from the father of the baby to terminate her pregnancy. Already parenting 3 children, she felt hopeless and lost. At her first appointment, the Waterleaf team provided her with an ultrasound and during a spiritual discussion with her advocate, Christine prayed *God if you can change things so I don't have to have an abortion, please help me.* At the conclusion of her this appointment she was undecided but very interested in learning about the resources available to help her family. Waterleaf worked closely with Christine, providing referrals and resources including school supplies for her children, a crib and baby supplies, and securing a grant to help pay her back rent. She obtained employment and reports being in a much better place now. Stating how grateful she is to Waterleaf for all the support, she is happy to have chosen life for a beautiful baby boy named "Luke", who was born at the end of January!
